SPORTS & PLAY SURFACE MAINTENANCE

**Nova Sport Limited,
one of the UK's leading
synthetic sports surfacing
companies, has been
installing sport and play
surfaces since 1987.**

We have established an enviable reputation with local authorities, parish councils, sports clubs, football clubs, hospitals and schools for providing a range of sports surfaces, pitch surrounds and play areas that are as visually impressive as they are technically outstanding.

We are renowned for installing playground surfacing, MUGAs (Multi Use Games Areas), athletics surfaces, pitch surrounds and polymeric courts, all of which are individually tailored for each project.

And now we are able to not just create great play, but preserve it, with a comprehensive range of maintenance services for sports and play surfacing.

Polymeric Surfaces

We offer a range of core maintenance packages for polymeric sports surfaces designed to extend the life of your facility, including:

- **CLEANING**
- **PATCH REPAIRS**
- **LINE MARKING**
- **SHRINKAGE REPAIRS**
- **WEAR AND TEAR REPAIRS**
- **RESPRAYING**
- **DIY REPAIR KITS**

Synthetic Turf

Synthetic turf pitches, whilst needing much less maintenance than conventional grass, are not self-maintaining. They do require some ongoing preservation to keep them in tip-top shape and to maximise the life, availability and revenue of the playing surface.

Nova Sport offers a wide range of essential repair and maintenance options designed to keep your pitch looking and playing its best, including:

- **RELINING**
- **PATCH AND SEAM REPAIRS**
- **CHEMICAL TREATMENTS**
- **GROOMING**
- **INFILLS - REPLACING & REDISTRIBUTING**
- **FLOODLIGHTING MAINTENANCE & REPAIR**

For Perfect Play...

By their nature, impact-absorbing play surfaces are extremely durable, being designed to satisfy safety performance criteria.

But there is no such thing as a maintenance free surface and regular checks and maintenance of the surface is necessary to preserve the suitability of the surface for its designed use.

All playground surfaces will require a modest degree of maintenance and we are here to help with:

- **CLEANING**
- **PATCH REPAIRS**
- **SHRINKAGE REPAIRS**
- **WEAR AND TEAR REPAIRS**
- **DIY REPAIR KITS**
- **RESURFACING**
